TUFHD31PH

The Toughest Flashlight You'll Ever Need™. The Energizer® Hard Case Professional® LED Headlight is built to take tough conditions on the job while providing a dependable hands-free lighting solution. Four lighting modes are controlled by two easy to operate push button switches. The light pivots to direct the beam where you need it; and the comfortable, adjustable head band stays where you put it, whether on your head or on a hard hat.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
